The following Terms & Conditions apply

Registration for purchase offer

The YZF-R1M online registration for purchase offer is offered Yamaha Motor Europe N.V., its branch offices and related affiliates (jointly and separately referred to as "Yamaha Motor Europe"). Unless otherwise referenced herein, any reference to Yamaha Motor Europe shall include all of its branch offices and related affiliates.

The online registration for purchase of the YZF-R1M will be possible from November 27th, 2017 for a limited amount of exclusive YZF-R1M motorcycles at the recommended retail price of SEK 241.900:- including VAT. We will serve customers depending on the number of YZF-R1M's available by the country of residence of the customer. A person can only register for one YZF-R1M motorcycle and the registration is not transferable.

Upon your registration you will receive an acknowledgement of receipt of your registration by email. Within 3 working days after the confirmation of receipt of your registration, Yamaha Motor Europe will confirm the temporary allocation of a YZF-R1M motorcycle to you by email. Please visit the dealer you have selected through the registration system within 14 calendar days and take a print out of the email of confirmation of temporary allocation with you to close the contract for the purchase of the YZF-R1M. The dealer will confirm the expected delivery period to you upon the closure of the contract. Should you not come to an agreement with the dealer you have selected through the registration system, you may change the dealer (see YZF-R1M dealers as listed in the dealer locator on the Yamaha Motor website of the country of your residence) to close the purchase contract (please take the confirmation of temporary allocation email with you also to that dealer). Please also take into account that the closure of the purchase contract should in any event not take longer than 14 calendar days counting from the day when the confirmation of temporary allocation was sent to you.

The name of the purchaser on the purchase contract has to be exactly the same as the name that is provided in the online registration. Should that not be the case, then the online registration and the temporary allocation of a YZF-R1M motorcycle will be invalid. Yamaha Motor Europe is not a party to your purchase contract with a dealer for the purchase of a YZF-R1M motorcycle.

If, for whatever reason the purchase contract for the YZF-R1M has not been concluded within 14 calendar days counting from the date that the temporary allocation e-mail was sent, your registration for the YZF-R1M motorcycle and the Yamaha Racing Experience will become invalid.

Yamaha Racing Experience

Yamaha Motor Europe invites every MY2018 YZF-R1M owner to join a Yamaha Racing Experience event in 2018 on race tracks selected by Yamaha Motor Europe, subject to the Yamaha Racing Experience capacity. You will need to indicate your interest in attending a Yamaha Racing Experience event online and you can do so in your online registration when

registering for the purchase of the YZF-R1M. Detailed information regarding Dates and Tracks will be made available through the Yamaha Racing Experience website early 2018. If you indicated your interest to take part in the Yamaha Racing Experience, Yamaha Motor Europe will, from January onwards and 3 working days after the conclusion of your purchase contract send you an email with your personal login data for the Yamaha Racing Experience website. You will need to apply for the Yamaha Racing Experience via the Yamaha Racing Experience website. Upon your registration you will receive an acknowledgement of receipt of your application. Received applications for the Yamaha Racing Experience will be confirmed from April, 2018 onwards. The Agency which has been contracted by Yamaha Motor Europe to facilitate the Yamaha Racing Experience will contact you by phone/email to arrange further details for the event. In this role the Agency will process your personal data on behalf of Yamaha Motor Europe. Yamaha Motor Europe ensures that your data will only be used for purposes of the YZF-R1M reservation and Yamaha Racing Experience application systems. In relation to the processing of personal data, the Agency will act on its own behalf as data controller under the applicable data protection laws.

The journey to and from the race track, your YZF-R1M in full riding condition, appropriate racing riding gear, physical and mental fitness and a good spirit will all be your own responsibility and will be at your own expense.

You may only participate if you are over 18 years of age and in the possession of a valid motorcycle driving license for driving the YZF-R1M. You must arrange for yourself an insurance which will cover you and your YZF-R1M for the duration of the Yamaha Racing Experience on the racetrack, bearing in mind that racing may be defined as a 'dangerous sport' by insurers.

If Yamaha Motor Europe (or the Agency on our behalf) rules at any time at its own discretion that your YZF-R1M and/or you yourself are not fit or pose a risk (to yourself or others) when riding on the circuit, we reserve the right to refuse or to terminate your participation before or during the event.

Your invitation to the Yamaha Racing Experience is personal and cannot be transferred to another person.
